

Marine

December 2014 Update

Due to the switch from DVDs to USBs there have been changes on what material is now available.

If you have any questions or concerns, please contact your distributor.

What's new:

- Specification sheets can now be found under Engine Application Information > (choose engine type) > Specification Sheets.

The image displays two screenshots of the John Deere Marine USB interface. The left screenshot shows the 'Marine DVD' menu with the following items:

| Category | Item |
|------------------------------------|----------------------------|
| Engine Application Information | 4045 |
| Engine Application Guidelines | 8066 |
| Option Drawings | 8090 |
| Engine Accessories | 8135 |
| Emissions Information & Compliance | Marine Reference Materials |
| Certificates | |
| Service/Technical Publications | |
| Archive | |

The right screenshot shows the 'Marine USB' interface for 'PowerTech™ 4045 Marine Engines'. The menu items are:

| | |
|------------------------------------|--|
| Engine Application Information | Performance Curves Cooling System Charts Engine Installation Drawings |
| Engine Application Guidelines | |
| Option Drawings | |
| Engine Accessories | |
| Emissions Information & Compliance | PowerTech 4,5L engines deliver outstanding performance in the 4-cylinder class. They offer a power range of 80 - 150 horsepower. |
| Certificates | |
| Service/Technical Publications | |
| Archive | |

An image of a PowerTech 4,5L marine engine is shown on the right side of the interface.

If you need information regarding marketing communications, non-PowerTech engine applications, or bulletins please go to [Power Systems Portal](#) or contact your distributor.

Marine PowerSource Magazine can be found online at JohnDeere.com.

Navigation

Top Navigation / Header

The header will be seen on every page that is within the Marine site. If you do not see the header, you may be viewing a document such as a PDF or a Word document.

The Marine text is a link to the home page

Footer

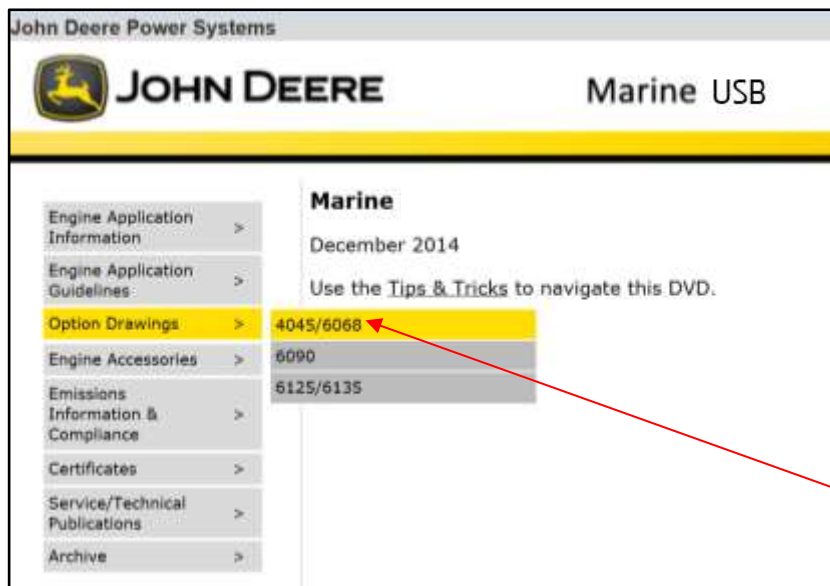

The footer will be seen on every page that is within the Marine site. If you do not see the footer, you may be viewing a document such as a PDF or a Word document.

The Home text is a link to the home page

Left Navigation

The left navigation is different for each section on the site.

The entire box that includes the text is NOT a link. You will need to hover and click on that text to be taken to the new page.
